"GANG OF HOPE"®

Success Role Modeling and Career Mentoring

EDUCATIONAL DVD

Many successful civic and corporate leaders are committed to making a difference in their community and look for ways that they can make a significant contribution towards empowering the lives of today's students but often find it difficult to take time out of their busy schedule to do it in person. Passions & Dreams Funding, Inc has developed a simple and empowering way where you can join our "Gang Of Hope"® and connect with the students. This program brings you maximum value for your time as you contribute knowledge and life development ideas, giving each student motivation for now and for years into the future.
